

# Marine & Car Time Trials

As each WP is reached and the Mark button is pressed, the App will record the difference to the allocated time (or zero if none). If you arrive early and press Mark, the App will record the difference, continue with the countdown and start the next WP duration at the time allocated

# Marine & Car Time Trials

If you arrive late, the App will keep counting until you Mark the arrival time. The App will also start the allocated start time for the next WP in the background. It will countdown as instructed so that when you press Mark, it will then show the next screen as the time remaining till you reach the next WP.

The screenshot shows the app interface for a time trial. At the top, the status bar shows Telstra, 10:20 pm, and 98% battery. The app title is "Test Course 1" with a "Cancel" button. The current location is "Heathcote Spit". The timer displays 00:06, with "Minutes" and "Seconds" labels below the digits. A large orange "Mark" button is centered below the timer. Below the button is an "Instruction" section with the following text: "To Middle Spit", "8 knots", "Starboard", "01:05". Below the instruction is a list of waypoints:

Waypoint	Status	Duration	Instructions
Start line	✓	(-0)	
Heathcote Spit	✓	00:01:14	(-6)
Middle Spit	✗	05:19	To Nth Point Spit
Nth Point Spit	✗	02:29	To Finish Line

# Marine & Car Time Trials

As each WP is revealed, the App will record actual time versus allocated time until the course is completed.

The screenshot shows the 'Test Course 1' interface. At the top, the status bar shows 'Telstra', '10:20 pm', and '98%' battery. The title bar is blue with a back arrow, 'Test Course 1', and a 'Cancel' button. The main content area is titled 'Middle Spit' and features a large digital timer with four blue boxes containing the digits '0', '4', '5', and '9', separated by a colon. Below the boxes are the labels 'Minutes' and 'Seconds'. A large orange 'Mark' button is positioned below the timer. Underneath is an 'Instruction' section with the text: 'To Nth Point Spit', '12 knots', 'Starboard', '05:19'. Below this is a list of waypoints with their completion status and times:

Waypoint	Status	Time
Start line	Completed (Green checkmark)	(-0)
Heathcote Spit	Completed (Green checkmark)	00:01:14(-6)
Middle Spit	Completed (Green checkmark)	00:01:13(+8)
Nth Point Spit	Not Completed (Red X)	
Finish line	Not Completed (Red X)	

Below the waypoints, the 'Duration' is listed as '02:29' and the 'Instructions' as 'To Finish Line'.

# Marine & Car Time Trials

At the completion of the course, the App will show the start time, finish time and the variance from the allocated time.

The screenshot shows the 'Test Course 1' screen in the app. At the top, the status bar shows 'Telstra', '10:28 pm', and '96%' battery. The course details are as follows:

Field	Value
Start Date	25-06-2018
Start Time	10:18:00
End Date	25-06-2018
End Time	10:28:13
Passed Time	00:10:13
Time Variance	16

A 'Time Trial' dialog box is displayed in the center, stating 'Course ended successfully' with an 'OK' button.

Below the dialog, a list of checkpoints is shown with their respective times and variances:

Checkpoint	Time	Variance
Start line		(-0)
Heathcote Spit	00:01:14	(-6)
Middle Spit	00:01:13	(+8)
Nth Point Spit	00:05:19	(-0)
Finish line	00:02:27	(-2)

At the bottom, there is a checkbox for 'Save course for future' which is checked, and a large blue button labeled 'End Course'.

# Marine & Car Time Trials

Once saved, the App will allow you to go back and review the event, save it, delete it, or copy it for another event.
